ing it. A | There is an outery against this, as much on the asa depends i acore of policy an on the score of justico. It is afhas not the firmed, not merely by "interested acitators" on together a the one side, and "maudlin sentimentalists" on pes, it is her ther ther, but by hard-headed men of ripe Indian ortifications, experience, that this adverse decision is the greatremains at- | set blunder that could be committed at the preeasing. Her sent time, Mysors is a fine country, but for all and when that "the game is not worth the candle," The princes and people of India back trean taught to on this side (if a different Cranborne declared in the first speech which he lel veredulter his appointment to the Indian Mini try to have been one of the weightiest of the convulsions of 1857) has been irrevocably abandoned. We do not care to inquire what was the intention of that celebrated manifesto-with what when they restrictions it was fenced in with what reservadually wears tions and exceptions it was burdened in the nel though | m ada of its original finmers, or what con tructions they make have been put upon it by later interpreture. In India it has been accepted without any emasculations, and we do not heritate to endorse the opin-

ions of those experienced Indian statesmen who declare that, after such a declaration, the oppropriction of the first Native State worth taking, that has fallen in our way, will be regarded as a reaspent violation of the pledges and promises of the Queen. It is not too late to rectify this error. There are petitions new before Parliament which will compel notice, and Lord Cranborne has before him a golden apportaity of acquiring for himsell new honours by looking the question fair y in the face, and removing the " man in possession."

Story of

earlier and l

Harris, un The Queens of England and Madagascar have Lord Maxjust geneluled a treaty of alliance. Its chief provisions are as follows :- The treaty declares that British subjects in the dominions of her Majesty the Queen of Madagascar shall be allowed freely to exercise and teach the Christian religion, and to erect and maintain sui able places of worship. to he recognized so the property of the Queen of Madagascar, who shall permit them to he applied for ever to the special puposes for which they shall have been built. Full religious, liberty is also war but half granted by the Queen of Madagascar to all her fallis was then own subjects. The Queen of Madagasous further ars there had engages that British subjects shall, equally with of the English | ber own subjects, enjoy within her dominions foll For he was and complete protection and security for themabove his own restres and property and that a British resident on he had be- shall be received in her capital.

THE LAZINESS OF THE NEGRO - Now, as to the inherent and unconquerable laziness of the negro : the e motaint made against the black beast by Sie Samuel in that he will not work hard without acthe English | a glimulus. When he was a slave, impelled to sympathics in work by the stimulus of the whip; he worked hard because he could not help doing so; in Barty of Mysore. tle, about that | bados, impulled by the stimulus of natural wants, ny kindwas to be works hard in the present day because he canthe first war | not help doing so; but in Jamaica and in Guiana, o Lord Corn. where he has, when martial law is not in operaovernors (Eng. tion, to fear neither the lash nor the pange of ah should dine hunger, he will only work when he pleases, and men of Mysore that is but weldom. This is Sir Samuel's case For my part I against the tigor-negro, and I am sorry, on acfor the dignity count of both planters and lahourers, to he couruel tyrant and pelted to admit that it is exact. For both their n to the Bindoo | sakes I sincerely wish I could gainsay it, and dewiser policy clars that the negro is passionately fond of hard so efficiually work, and that he cares little what his remanerstime." What I tion is, so that his thews and sinews be strained adopted, with to the almost; but I cannot with truth say so. I will, however, ask what race of white men. agland, Tippoo jezista who would work better than the Guiana tonity so long labourer does under the circumstances in which of Ali and Tip- he is placed? There are plenty of abandoned he British Go- estates in that ording on which he can either buy a patch of land at almost a nominal prize, or Troce lay pros- i squat, without purchasing. He can there run up ht of conquest, in a few hours as comfortable a but as he rebritish Govern mires, and can cultivate, without auch labour, as held that a what roots and plantains his family used. The bm Tip..o would forests, close aback, are fully of game; the rivers trative and poli- are full of fish; alothing is a luxury rather than les. There was, a necessity, and fuel, only required for cooking. mist feeling, of is to be had for the feeling. What money the among the chief | negro wants to purchase tobacco, spirits, sait fish . mined to erect, or holiday clothen, he can easily obtain by a few and the Nizam, & days' irregular labour at the nearest sugar estate . nicet prominent Southern man in the Convention, and a few nights ago, at one of the numerous mass meatings now being held by the Radicals. be was called upon for a speech. The Parson ia clergyman of the Methodist Church, and was FIJHE HOUSE and GODOWNS on the Praya a leading delegate from Tennessee to the Ropublican Convention held at Baltimore in 1864 which numinated Andrew Johnson for Vine-President-a nomination so momentous in its consequences. He, among other things, said that he begged pardon for having been the man who placed Andrew Johnson in nomination. As God and forgiven him, he hoped the people of Pennvelvania would also forgive him . He also stated that it would have been better for the country if the whole of the Tennessee delegation to that Convention had been in Libby Prison instead of ot Baltimore. Referring to the the South, he said that if the rebellious spirit of that section. combined with the treachery and "copporheadism" of the North, should render another war necessary, and his hearers should be forced to leave their homes and parents, their wives and children, to invade the South and put down the rebellion, he wished to say something the division of the forces. Let there be three knots and with burning tarches, and let them du particulars apply to the burning; let the third and last go with the surveyor's compass and chain, and sall out the lands to pay the expenses of the war, and than plarious hanner (pointing to the American flag). low is a type of a large class of men who from ladelphin to express the most intelerant views. It was not many years ago that Brownlow considered himself the especial abampion of the South, and he trivelled through the North looturing upon the Divine origin of slavery, and challenging the Abelitionists of those days to argue the point with him. Forement among the Northern clergy who were then preaching a oruand the strange mutations of American politics are most strongly exhibited by the fact that while Brownlow is now the enemy of the South.
